# *Unforgettable*

*Unforgettable, that's what you are  
Unforgettable through near and far...*

The Class of 2003, the 100th graduating class of Millis, have had an **unforgettable** four years at MHS, we are sure each graduating class feels the same. In honor of the 100th year of our school, we decided to take a look back through the years. You will find tidbits about Millis throughout this book, starting with the School Song written by Ruth Richardson - Class of 1920.

Gray is the peaceful night:  
Day's closing brings it night -  
Crimson which streaks the sky  
in radiant light.  
Those are the colors dear,  
Though we in number few  
To them we will be true  
When far or near.  
Each year we work and strive  
To keep our ideals high,  
High as the distant sky,  
Each one alive.  
Memories of happy hours,  
Millis, thou school or ours,  
Hear this our welcome lay,  
Crimson and Gray.

*Unforgettable in every way  
And forever more, that's how you'll stay...\**

## Yearbook Dedication Mrs. Rebecca Russ

*The Class of 2003 would like to dedicate the 2003 Yearbook to Mrs. Rebecca Russ. Mrs. Russ was always there for us throughout the year, guiding us through the Senior Project process and conjoling us to get our work turned in so that we would pass senior english and graduate on time.*

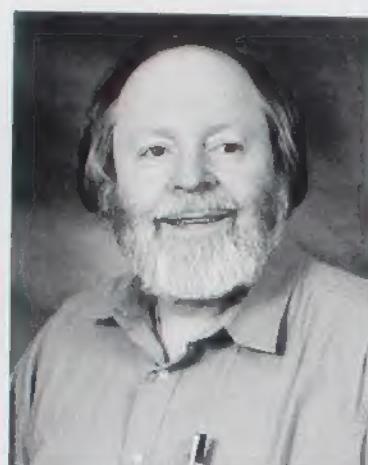

*We appreciate all that you have done for us and thank you - The Class of 2003*

# *Unparalleled*

The following teachers are retiring this year: Mrs. Marilyn Dewar, Mr. Frank Glass, Ms. Elaine Peterson and Mr. Peter Vigue. Each has touched us in a different way and we will never forget them - they are unforgettable!

Mrs. Dewar shared her love of English with us, teaching us to write effectively and creatively. Mr. Glass shared his business knowledge with us both in and out of the computer lab. Ms. Peterson taught us Physical Education almost every year we were in Millis Public Schools and Mr. Vigue taught us eighth grade science before moving into the AD position.

We wish all of them the best and thank them for their many years in Millis.

Mrs. Marilyn Dewar

Mr. Frank Glass

Ms. Elaine Peterson

Mr. Peter Vigue

## *In Memorium* Ms. Patricia Barry Foreign Language

Aurevoir, Adios; we will always remember Ms. Barry's love of French and Spanish. Ms. Barry began teaching in Millis in 1969 and spent her entire career here. She was a teacher, a coach, an advisor and our friend. Her love was language and she gave us her all, teaching us the in and outs of French and Spanish. We will miss Ms. Barry both in the classroom and in the Millis High community.

Dear Graduates of the Class of 2003,

This graduating class is the first class to face the challenge of passing high stakes testing as a prerequisite for earning a high school diploma. Each and every member of the Millis High School Class of 2003 met the high stakes testing requirement – and so early in the 2002-2003 school year. Very few districts in the Commonwealth are able to make that claim!

As a class you have already demonstrated maturity and responsibility. I know that you are ready for any new challenge thrown in your direction. Set goals! Be confident. Know that you can be anything that you want to be. Most individuals entering the work force in this era will change careers several times over their work careers. Follow your interests and passions. You will succeed.

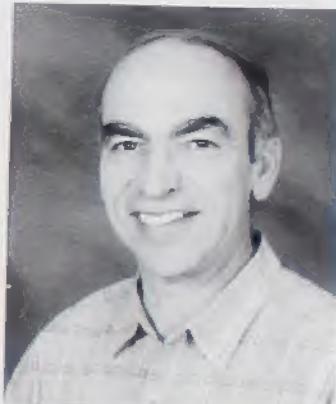

Best wishes to each and every graduate. Know that we in the Millis Public Schools are very proud of you. You will always be part of our Millis family.

Sincerely yours,

Caroline M. C. White, Ph. D.  
Superintendent of Schools

Mrs. Nancy Giamarco  
Director of P.P.S.

To the Class of 2003—

The history-making first MCAS class—in addition to the challenges faced by each graduating class of the past, you had the added challenge of MCAS—and you met it well! Every member of the class has graduated with a diploma. This is a metaphor for your future. The members of the Class of 2003 will meet and overcome other challenges in the same way. It has been my privilege to be part of your lives as well as the lives of the outstanding high school staff that prepared you so well!!

With best wishes,

Dennis J. Naughton

## **Unforgettable Millis Facts:**

- In 1885, East Medway seceded from Medway and later was incorporated as the town of Millis.
- In 1885, there were three schools - The Adams School, (named after the first school teacher Experience Adams) located where the present fire and police station are located. The Ellice School was located on Pleasant Street in the section known as Rockville. The Damell's School was located on the corner of Ridge Street and Orchard Street.
- On December 14, 1896, the Damell's School burned and a temporary building for school was rented from John V. Crane. This building was the original "Old Neck School House".
- In 1890, Millis joined with Holliston and Medway to form a school district for the employment of Superintendent of Schools. Fred Tenney was elected as the first superintendent.
- In 1900, a four year course was established in the high school.
- In 1903, there were 64 students enrolled in the four year program.
- In 1913, the town appropriated \$2300 for the construction of a five-room brick building on Main Street to be known as the Millis High School.
- Boys will be boys. "On more than one occasion the boys dislodged the trolley cable, bringing the car to a standstill and delaying education until the motorman could set it back on the wire."
- Girls will also have fun. They were known to "borrow" recess snacks from McCarthy's apple orchard.
- By 1928, the High School enrollment reached seventy seven students and every desk was occupied.

In 1931, the Ellice and Adams grammar schools were transferred to the High School which became known as the Millis Consolidated School.

In the early years, morning exercises consisted of a reading from the Bible, recitation of the Lord's Prayer and the Pledge of Allegiance.

- In 1935, the only boys' cooking class in Norfolk County was formed at Millis High School.

During World War II, student gathered 600 pounds of milkweed for the armed forces to be used as filler in life jackets and a group of boys made canes for the disabled servicemen at Cushing Hospital.

In 1954, grades 1 through 6 moved to a new school - the Clyde Brown School, named after the Principal of the High School and the Millis Consolidated School.

- In 1961, 407 students entered the new Junior-Senior High School.

In 1973, students elected fellow student Joseph Nienolson to represent their interests at School Committee meetings.

In 1979, the Middle School was implemented in September. Grades 6,7,8 became the Middle School - grades 3,4,5 were in the Memorial School; grades 1,2 were in the Clyde Brown School.

## **Unforgettable Millis Facts:**

- In 1926, the school system hired its first teacher-coach, Ronald Sawyer.

In 1927, Millis beat Medfield 108-0 in the annual Thanksgiving Day football game! (yes, we played Medfield instead of Medway on Thanksgiving in 1927)

On January 31, 1935, the Basketball team defeated Wellesley, giving them their 26th win in 27 starts. This earned the team their first Tri-Valley League Championship.

- In 1936 the Basketball team won the Tri-Valley League Championship for the 2nd time.

In 1949 the Baseball team captured the Tri-Valley League Championship, the first baseball team in 20 years to bring the championship to Millis.

In 1950, Billy Goodman of the Boston Red Sox was the guest speaker at the school Athletic Banquet.

- In 1956, the Little League Organization was formed, there were 80 boys that played on the four teams.

- In 1958, the town appropriated \$1200 to construct a Little League Field on school property.

## Keeping the tradition going

The Football Team finished this year with a 6-4 record. This was a tough year for three seniors. Mike Fratarone went down with a season ending knee injury which started a trend. Two games later Captains Tom Duffy and Bob DiMarino went down. The rest of the team stuck with it they played hard for the rest of the season. They upset Westwood with a stunning victory then they capped off the year with a win against Medway where Joe Shuker and Captain Jason Horgan rushed for over 1000 yards. Joe Shuker, Jason Horgan, and Chris Ward were named League All-Stars. Good luck next year - Captains of '02

## Another season of victory

The Lady Mohawks had an outstanding season with an impressive 18-4 record. This was a year of milestones for the team. The Mohawks dealt defending State Champs Medway their first loss (2-1) in over two years, being for second place in the TVL. The team also gave Homestead League Champs Franklin their only two losses. This was the first year with our new coach, Jay Warren, who introduced the "crazy Jay" program that led the team far into tournament play. The team flew by its first two opponents Blackstone Valley Tech and Norfolk Aggie. We met up with our enemies from the past year in the semi finals vs Medfield. The team was defeated and our tourney bid came to an end. We had a great time this season enjoying every minute!

## Getting our kicks

By looking at our record it may seem that our soccer season wasn't too successful. But looks can be deceiving. This year we had an awesome season full of laughs, some wins, and a lot of good times. We won more than double the games we did last year and had an important win against D/S at our last home game. Yet some of our best memories would have to be our soccer dinners, that time at Georgia's, BK, and of course Szechuan. Good luck next year girls!

# GOOOOOAAALLLLL

Oh yea, oh my, oh man, oh baby, oh dear, oh-17-1

The record of the team does not reflect the amount of work put in by all team members. They might not have had many success on the field but they worked as a team, kept a good sense of humor and had a good time otherwise. With only four seniors on the team the underclassmen learned skills and sportsmanship that will help them in the years to come. We wish the future team much luck.

# CHEERING

Gimmie a M! Gimmie a H! Gimmie a S!

Another awesome year for Millis Cheering has gone by. Lead by Coach Erika Martineau and Kim Scotland along with Captains Laura Shohan and Kate Sullivan the team improved greatly. We competed at two Tri-Valley League competitions (one in the fall and one in the spring). Our scores received here moved us to Regionals where we placed 1st both seasons, making us the South Sectional Champs. Our four All Stars were Laura Shohan, Nicole Carvello, Michelle Fourn, and Kristina Mlavsky. Throughout the year we came together quickly, we worked hard to tackle obstacles and to achieve our goals such as, the highest score in MHS Cheering history. Our next goal: to go to Nationals!

# HUNGRY FOR HOOPS

For the love of the game

This winter season was filled with a lot of up and down moments. Our record surely did not show the amount of time and energy we put into making ourselves players and more importantly a team. This year we were fortunate to have Coach Howie Ingraham help us along the way as well as our Coach, Paul Adams. Our team worked so hard this season and never stopped even though the scores said differently. The MHS girls basketball program will continue to grow even stronger, especially with the energy and motivation of this years club.

**Varsity Back Row:** Coach Adams, A. Whitaker, J. Ward, K. McAvoy, L. Howley, T. Shuker, S. Cushman, H. Ingraham. **Front Row:** A. Aulenbach, C. Simms, L. Hogan, K. Kilmartin, B. White, H. Farries

# HUNGRY FOR HOOPS

## Scoring with Dedication

This year the Mohawks boy's basketball team had a pretty good season. Captains Ben Bonzey and Derek Anderson led the team in a sucessful tournament run. The boys made it to the state quarterfinal game where they lost to eventual state finalist Southeastern. The season had many exciting moments, the most memorable being a thrilling double over time win at home against Westwood. The Mohawks are very excited for the upcoming season and are anticipating great things. Look out for another strong tournament run.

# STATE CHAMPIONS

## Spiking the Competition

It was an incredible season, this team knew that they could win the State Championship from day one. Led by seniors Tom Newman, Ralph Whelihan and Scott Maier the team worked their way through an undefeated season. Everyone on the team worked 110% to get the team into tournament play. Once the team entered the tournament the other teams fell one by one until there was only one left - Millis'. Thanks to all our great fans for their unyielding support of Mens' Volleyball team over the last six years of building to this point.

# ON YOUR MARKS

## Going the distance

As Track remains a young program, composed of mostly 7th and 8th graders, it still proved to be successful. The girls, finishing with 3 wins and 6 losses tripled their winning record from last year and seized to break more school records. The Girl's 4x400 team broke the MHS school record by roughly 20 sec and Molly Duffy broke the 800m school record. The boys, finishing with 3 wins and 6 losses also improved their record from last year and broke records as well. Tom Duffy broke MHS's school javlin record throwing 172' 2". The Girl's team finished 5th and the Boy's team, finished 6th at the FV League meet. Tina Shuker, throwing javlin, Joe Shuker, throwing discus and shot put, Tom Duffy throwing javlin, Albi Mezini, running the 100 and David Clancy, throwing javlin will all compete at the State Championships.

# SET POINT

## Calling the Shots

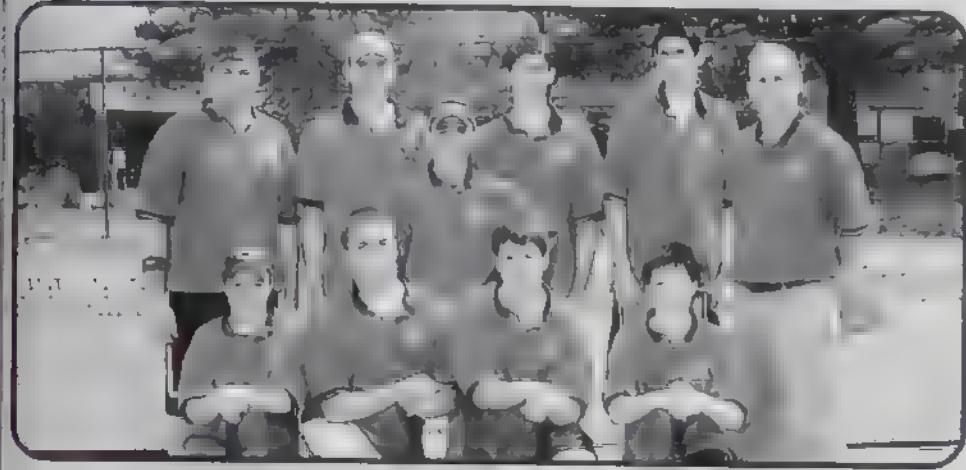

This year we had a great season. Girl's Tennis qualified for the tournament for the first time since 1997. Our first tournament match was a victory against Joseph P. Case High School, after that we played Canton and respectfully lost to a very good team. At the end of the season we were .500, 10-10. Some of the most memorable matches we had this season were beating Hopedale with only five players, beating Holliston, our double-header wins against Franklin, and driving to Hopkinton twice only to have both the matches rained out. This year three awards were given out at the Sports Banquet. Tricia O'Neil was named the Unsung Hero, Jessica Hegger was the MVP, and Jessica Roberts received the Sportsmanship Award.

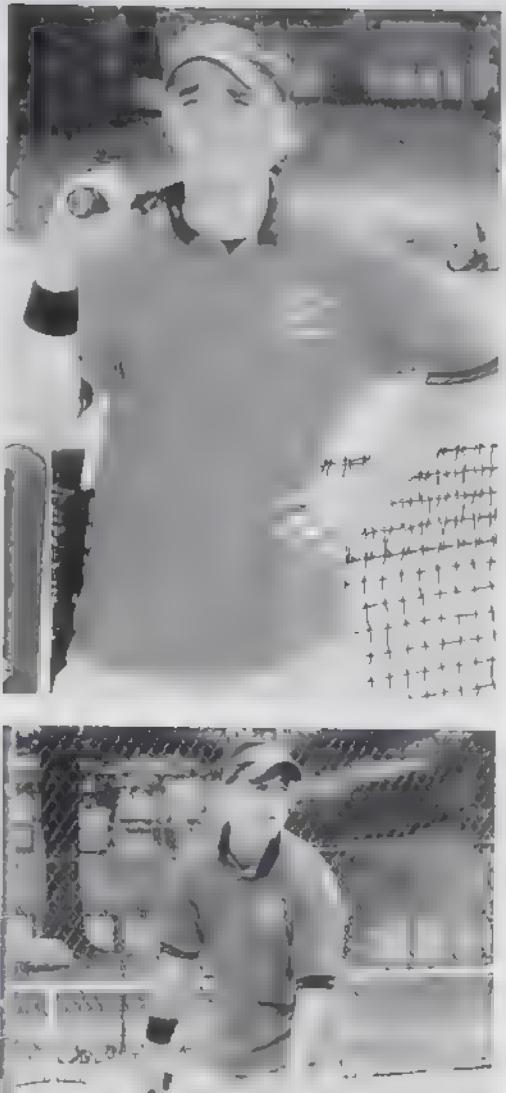

**Back Row:** Coach Ingraham, E. Skenderian, A. Main, S. Thompson, A. Pijanowski, K. Ingraham L. Gutey **Front Row:** A. Duffy, C. Cutran, M. Divver, T. O'Neil, J. Hegger, J. Roberts, F. Northgraves, I. Creary

This year the Boys Tennis team had a building year. Led by Captain Chris Luvisi, the team was small in numbers and fairly young: one senior, three juniors, two freshmen and three eighth graders. The team worked hard on their skills and never gave up on themselves. One of the highlights of the season was the win against Dover-Sherborn, it was the second win against D-S in over 15 years. Chris finished the season with the best record on the team 14-4. Good luck to next years team

# ROUNDING THE BASES

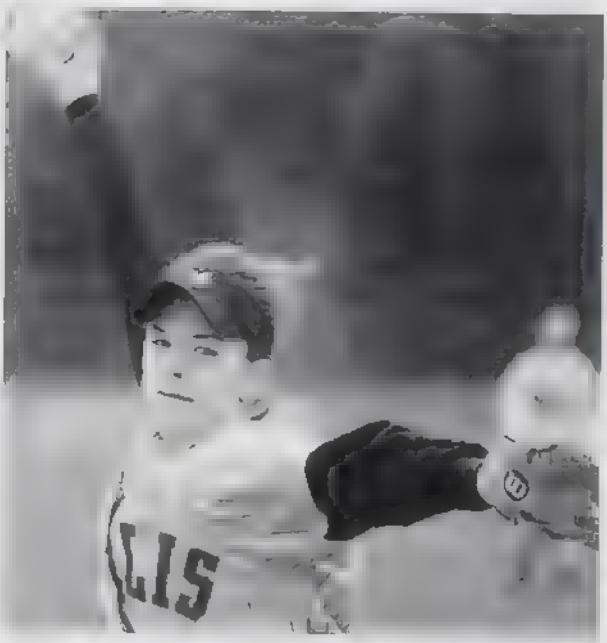

We did not put the Soft in Softball

This year's Softball club wanted to keep up the success level from last year and certainly have proved they could do it. The Team qualified for the Division 3 State Tournament once again, and made it to the Semi-Finals. With the Team having only 4 seniors, 1 junior, 1 freshmen and the rest sophomores each person had to give their all this season. Every team member this year has given tremendous effort, made great plays on the field, and has had to step up to the plate. Behind their Coach, the Team looks to keep winning and making Millis a well known and competitive softball community.

Back Row: Coach K. Hendrick, S. Cushman, J. Ward, N. Whitlow, C. Simms, K. Madge, A. Aulenbach, M. Tocci. Front Row: W. Pyle, A. Pyle, K. McAvoy, M. McElroy, A. Gordon, N. Santospago, H. Farny

**IV Back Row:** M. S. C. M. C., A. N. S., and T. J. D. **IV Front Row:** M. S. S., L. K. L., and A. B. S.

# BLAZING BATS

## Spring Fever at the Diamond

The Team missed out on another year without tournament play. Captains Bob Dimarino and Kevin Joyce along with the other six seniors led the team throughout the season. The record may not show it, but the team had a lot of potential, we just could not find our stride. Many of our losses were within 3 runs or less. We competed in every game and played hard throughout the season. Many memories were made and we will never forget "Look what I can do" and "S the D".

## **Unforgettable Millis Facts:**

- In February 1886, the greatest flood in history cut Millis off from all the surrounding towns. In some places the water was 5 ft above the road.
- In 1890, the town appropriated \$500 for street lamps, lit by kerosene. Also in that year, the first work began on waterworks for the town.
- In 1899, the present town seal was adopted by a town-wide vote.
- In 1927, a \$4000 expansion changed the Adams school from a two-room building to a four room building with a tower for a recitation room. All students were transferred to the Adams school.
- From 1900 - 1924, students living in the area of Village, Pleasant and Main Street were transported to school in trolley cars.
- In late June 1932, a tornado visited Millis. In late June of 2002 Millis was again visited by a mini-tornado near Farm and Village Streets.

In 1933, the High School received an auditorium, a library and additional classrooms as part of a \$100,000 town meeting appropriation.

- Until World War II married women were not permitted to teach, and only then because so many men were called into the armed forces.

In the 1940s, female teachers had to obtain permission to get married and continue to teach. It was not until the 1960s that teachers could continue to teach while pregnant.

- In 1947, a Cub Scout Troop was organized in Millis.

In 1948, the first students were sent to Boys' and Girls' State by the American Legion and the Auxiliary.

- In 1953, the Millis High School Fiftieth Anniversary was observed.

- In 1954, Hurricanes Carol and Edna caused \$100,000 damage.

In 1959, the first science fair was held at the high school with over 100 participants.

In 1960, the school's first National Honor Society Chapter was formed, there were 19 members.

- In the 1960s, with the new High School open, a guidance director, a librarian, a full time art supervisor and coordinators of math, science, english, social studies were hired.

- In 1962, a foreign language laboratory was installed.

- In 1963, the secondary school faculty conducted a self-evaluation in preparation of the first evaluation by the NEASC.

In 1977, Tri-County Regional Vocational Technical School opened its doors.

## **Unforgettable Millis Facts:**

- The Old Stone Town Hall, originally the train station, was built by Lancing Mills. It includes unique labels from all over the country.
- There is only one town/city named Millis in the whole USA. The only thing close was Millis Falls.
- Senator John Kerry once lived in Millis.
- The band Arowsmith once played at Millis High School.
- In 1903, the High School Principal's salary was \$15 a week. The Superintendent's salary was \$800.
- The school colors were originally crimson and white.

In 1931, thirty-one students from the high school were enrolled in various colleges.

- In 1936, Education Aid night was held by the East Medway Grange of Millis. Over the next 24 years the Grange would lend over \$6000 to graduates for furthering their education.
- In the late 1880s, any student whose academic percentage for the term fell five percent below that required for admission was not allowed to attend the high school.
- The first graduating class had only two students: Elsie Holland and Carrie Howe.
- In 1925, Principal Clyde F. Brown gave out \$2.50 gold pieces to honor students at graduation.

In 1933, the parents of the Class of 1931 established a Washington Trip.

- During World War II, the school day was shortened so that students could go to work. Boys were allowed to leave school any time during their senior year to join the armed services.
- Scott Maier of this year's graduating class was the Bicentennial baby.
- The Class of 2003 was the 100th class of Millis High School.

# The 100th Graduating Class of Millis High School!

# Undone, Seniors Last Day!

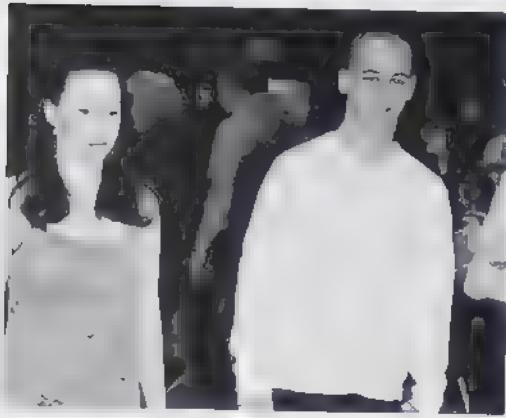

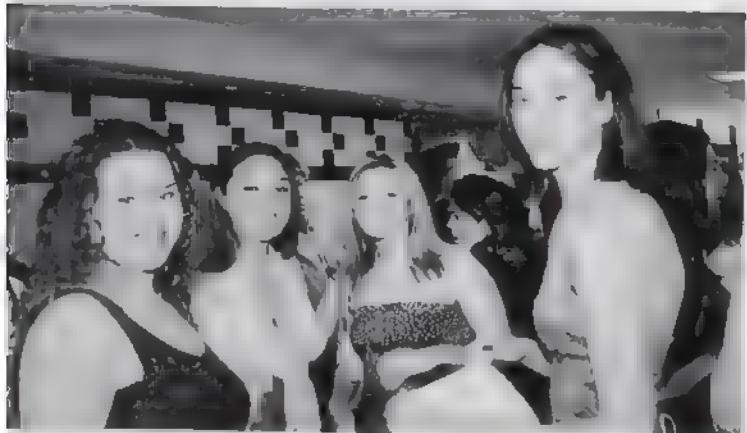

# Unpredictable, Senior Banquet

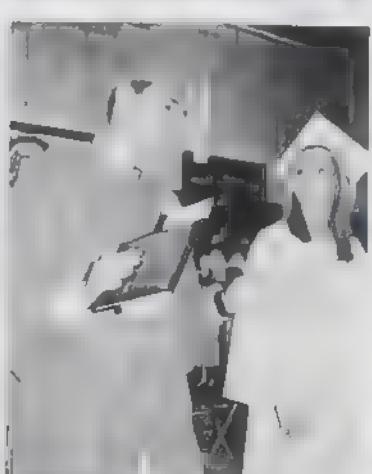

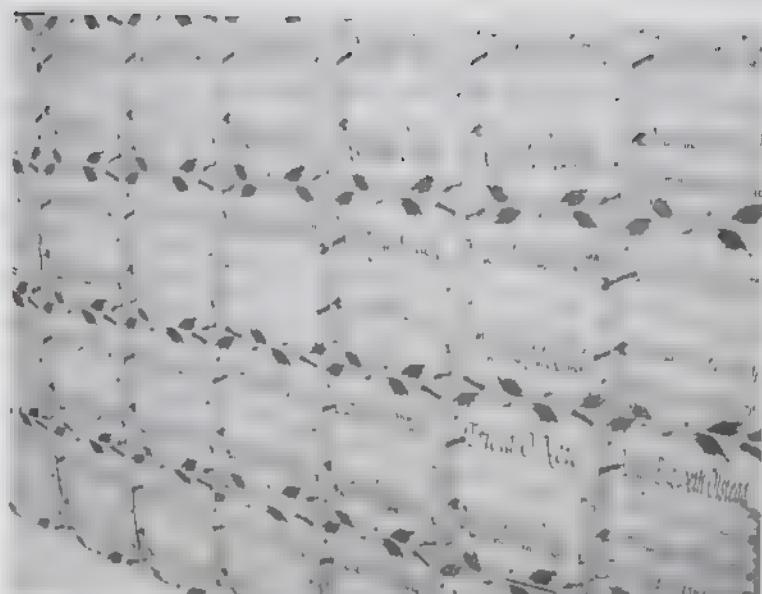

# Unclassified, Class Day

# Unbelievable, Graduation!

*Class of 2003*

**Valedictory Address**  
**Jane Elisabeth Coulter**

Good Evening Dr. White, Mr. Naughton, Faculty, School Committee members, town officials, family, friends, and members of the Class of 2003.

Achievement, satisfaction, prosperity, eminence, station. What is success? Webster's Dictionary defines it as a favorable course or termination of anything attempted: the gaining of position, fame, or wealth. The focus of my Senior Project was how Millis High School seniors can succeed in the college environment, and I found that many of the essential skills, such as time management and knowing how to write a college-style paper, are already our habits. Future physicists in our class can balance their time between solving equations and performing in the talent show. Weight lifters and car enthusiasts have impressed classmates and Senior Project judges with their exhibition of expertise.

All seventy-six of us are here to celebrate the culmination of high school success- graduation. This triumph is something to be shared with all of you who are watching us tonight. Thank you to all of our teachers, family and friends; you have inspired and encouraged us from kindergarten through senior year. Every one of you is a part of our success.

When I asked some of my fellow graduates what they consider success, they described it as feeling confident in yourself; being able to sit back after a long day and feel pleased with yourself; being satisfied with what you have and what you achieve; anything that brings you joy and happiness and makes you feel like you've accomplished something working hard and being proud of what you did; setting goals and reaching them. If there is a sense of pride behind what someone has done, that is success.

I would like to share a poem by Rudyard Kipling:

"To laugh often and much;  
To win the respect of intelligent people  
and the love of children;  
to earn the appreciation of honest critics;  
to be allowed to hope;  
to be educated;  
to be well informed;  
to have traveled far;  
to be modest;  
to have a good memory;  
to have a kind heart;  
to be friendly;  
to be gay;  
to be able to live modestly;  
to be able to give freely;  
to be simple;  
to be strong;  
to be healthy;  
to be happy."  
Rudyard Kipling

I am very proud to be a graduate of Millis High School. Congratulations to the Class of 2003! I wish all of you success.

**Salutatory Address**  
**Catherine Lee Kilmartin**

Good evening Dr. White, Mr. Naughton, faculty, school committee members, town officials, family, friends, and members of the class of 2003.

look back at you, my peers, and for the briefest second I see the ones I had first greeted thirteen years ago staring back at me. I see ones that had joined us on the journey, people we investigated, dredged, and accepted. No new face entered this school

knowingly, we knew your story and history, such is the way with small towns. There are no secrets but a bond that underlies the network of life, unbreakable yet subtle

for thirteen years, you have been there. From the first tentative steps into the school building through the horrible calamities of liberty, and now, when we say good-bye and enter the world, you're there

When bangs and bowl cuts were in style, as girls wore leggings with attachments that slipped under the heel, as boys donned pants that were large enough to accommodate a small family with bed sheets, we all suffered through the horrific experiments of fashion and identity, you were there – through the pimples and bad hair days,

When Backstreet Boys and N'Sync took the boy band throne from New Kids on the Block, as Madonna gave way to Britney Spears and Christina Aguilera, as Bill Gates became an icon in American culture and technology reached new heights, as rappers like Eminem became famous through the retelling and elaborating of the horrors of their childhood, as culture shifted tremendously through the nineties, you were there

When Columbine became a household name that represented terror and fear, when schools stopped being havens for children and became susceptible to violence, you were there. When New England Patriot's took the throne in the NFL championship and demonstrated to us that underdogs can be victorious – that victory comes with heart and desire, you were there

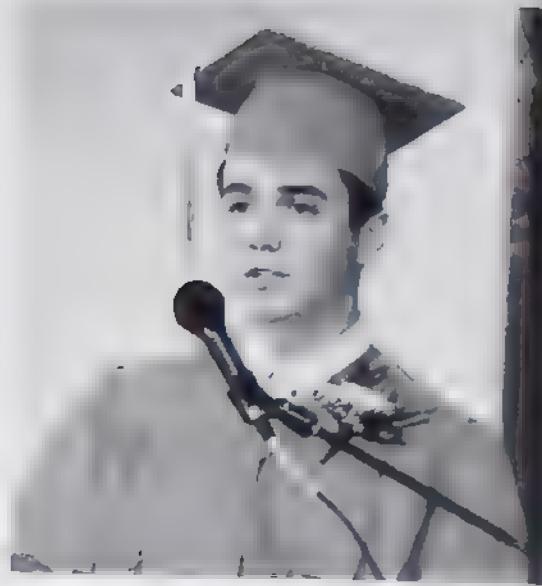

When Princess Diana showed compassion simply by hugging a child with AIDS, as millions of African-American men marched for diversity and liberty on October 16, as people reach incredible heights and conquered goals whether professional, athletic, or personal, as we witnessed the good in humanity, you were there

When the horrible travesty of 9/11 unfurled on the screen, as images of death and carnage scarred our nation, as we realized the vulnerability of our country, as simple men and women made heroes of themselves, you were there

Through the monumental events of history, through some of the worst times this nation faced, you have been there. On the crest of war, on the eve of greatness, you have been consistently there. We've become adults together, learned the lessons of life together and now we leave this sanctuary of childhood together in order to embark on the rest of our journey. Whatever may come to us, whatever path each of us will take, we will always share the thread of identity that we forged together as children. We made it through the late eighties, the nineties, and now we separate into the new millennium, a class of seventy-six, to reach new limits and climb the mountains of our ambitions. To whatever height we may pursue, we began our journey here... together

**Class President  
Christopher Adam Luvisi**

Good evening Dr. White, Mr. Naughton, faculty, family, friends and my fellow graduates.

When I first began to write this speech I wanted to choose the word that I felt was most applicable for tonight. After much thought, deliberation and a little procrastination the word became clear to me. future. At one point Millis High Schools was our future, it has also been our present, and now it will become our past. It has been a great experience that has and will continue to help us grow. All of the victories, defeats, obstacles and accomplishments we've encountered along the way have helped prepare us for our future. Each letter that composes this ever-changing word, future has great symbolism behind it.

**F** is for the meaningful friendships we have formed along the way. Take them with you and treasure them always.

**U** is for the unlimited possibilities that lie before us

**T** is for the teachers who helped us along the way, who have given us the opportunity for a great future with the infinite knowledge they have bestowed upon us

**U** is for the unbelievable memories we've created over the past four years at Millis High School...It's not easy finding two good u's

**R** Reach for your dreams my friends. As Emerson once said, "Dare to live the life you have dreamed for yourself. Go forward and make your dreams come true."

**E** is for everyone here tonight. Without your love and support we would not be standing here as Millis High School graduates before you.

I would like to take this opportunity to wish all of my fellow graduates the best of luck with all of your future endeavors. In closing, the past is history; the future is a mystery; this moment is a gift; that is why this moment is called the present. Enjoy it

Hope you have enjoyed the 2003 Yearbook - we hope it was . . . Unforgettable!
